SUN TRIP PRESERVER

Protecting Vacations When Hurricanes Strike.

Sun Trip Preserver's reputation is well known in the industry for its exceptional service during the very worst hurricane events. As Arch Red Sky was founded on the hurricane-prone coast of North Carolina, its products are specifically designed to respond to hurricane events. With continuous product enhancements, the company strives to provide one of the industry's most comprehensive hurricane protection products available to vacation rental managers and their guests in coastal destinations.

Sun Trip Preserver plan benefits may enable insureds to recoup prepaid, non-refundable trip deposits made toward their vacation for cancellations and interruptions due to unforeseen covered events, including hurricane-caused mandatory evacuation, accommodation uninhabitability, road closure and inaccessibility.
